Subject: RE: Comments on Round 2 sampling plan

Rich,
Here is the modified SAP which addresses your comment noted below. I also tweaked the language in Section 9 (Schedule) **from** "The schedule for the site is projected as follows:"
to "The projected schedule for the site is estimated to be as follows:"

Thanks,

Subject: Comments on Round 2 sampling plan

Suddha,
Please remove the sentence on page 4 of the attached Round 2 SAP. I have highlighted that sentence and show a comment.
I have no comments on the Round 1 SAP, however there are others who will be reviewing this plan.
Also, please note that the estimated dates in the plans are NOT confirmed as of this date.
I need to get this to Headquarter EU asap, so please make that change and send me the revised version.
thanks
Rich
